

Precious Jones

Meet Precious Jones, a Savannah Native and Alfred Ely Beach High School graduate, Class of 2000 with accomplishment letters in Basketball, Volleyball Soccer, and holds One State Championship in 2000 with the Lady Bulldogs Basketball Team. Precious received her bachelor's degree in Business Administration with a Concentration in Computer Information Systems from Savannah State University in 2015. Precious spent previous years in Atlanta, Ga as the Office Manager for Reeds Installations Inc. contractors. Precious has honed her skills in the industry of installations on million-dollar large projects as:

Atlanta Hawks Training Facility

Emory University

Fulton County School Systems

U.S. Attorneys in Atlanta, Ga.

Her athleticism and lifelong interest in sports led her to establish her businesses in the Athletic world and she now own businesses such as:

Ga Lions AAU Basketball Team

(12-14yr olds)

Iconic Sports Performance

Stem Innovations Inc.

These businesses are successful in the communities working with youth in sports and fitness training. She leverages her time and skills by volunteering and has since become the secretary on the board of directors for Factory 2.0. empowering, and preparing students for sustainable growth and success in life, academics, and the workplace by providing career exposure, academic and professional development, mental health awareness, and leadership training.
