

**The Factory 2.0 Inc.  
Savannah, GA**

I hope this letter finds you well. My name is Robert D. DeLoach Jr. and I represent The Factory 2.0 Inc., a nonprofit organization committed to the empowerment and advancement of young people through education, exposure, and leadership. Collectively, The Factory 2.0 INC. has been fulfilling its mission of preparing students for sustainable success in life, academics, and the workplace. We accomplish this through career exposure, academic and professional development, mental health awareness, and leadership training. Our work is rooted in the belief that every student is gifted in more than one area—and with the right support, they can thrive beyond traditional paths.

We are currently seeking sponsorship partners to help us grow our impact and reach more students across our communities. Through hands-on programs, mentoring, and a focus on real-world skills, we are opening doors for youth to explore their full potential beyond the playing field. We believe that with the right guidance and exposure, students can rise as innovators, professionals, and community leaders who will shape the future. Your support will directly contribute to:

- Expanding our career exploration and development programs
- Providing vital resources and mentorship to underserved youth
- Promoting mental health and leadership readiness
- Hosting impactful events, workshops, and training initiatives

As a valued sponsor, you or your organization will be publicly recognized across our events, website, and media platforms. More importantly, you will be investing in a movement that is changing lives and equipping the next generation of leaders. To learn more about our work, please visit our website at <https://www.thefactory2.org>. We would be honored to connect with you and explore how your organization can play a key role in helping us build a better future for our youth.

Thank you for your time and consideration. We look forward to the opportunity to partner with you in purpose.

With gratitude,

Robert D. DeLoach Jr.
